- Official team banners should be given to the meet staff on Wednesday, March 2. Meet staff will hang official team banners from the metal railings at the bottom of the spectator area. Meet staff reserves discretion in the placement of banners based on size so as not to interfere with deck activities. **Any other team posters or signs in the pool area will be removed.**

III. COACHES MEETING

A general coaches meeting to review championship procedures will be held on **Wednesday, March 2 at 4:00pm** in the Hall of History (adjacent to Blodgett Pool entrance). **A meeting of the diving coaches will be held prior on the pool deck at 3:30pm.**

IV. ENTRY INFORMATION

Entries are due by **6:00pm on Tuesday, February 22, 2011**. All possible entries must be listed on the entry form and best times must be submitted. Each team is permitted eighteen (18) competitors as described by the following: an entrant who swims will be counted as one; an entrant who dives will be counted as one-third; an entrant who swims and dives will be counted as one. A competitor is permitted to compete in a maximum of seven events, of which no more than three may be individual events.

Coaches may enter competitors in more than three individual events, and may enter more than 18 competitors, as long as they “scratch down” to the appropriate numbers by the scratch deadlines. Divers who will not compete must also be scratched by the appropriate scratch deadline.

Please be sure to specify entry times for your relays in the appropriate area on the entry form, even if the entry time is “NT” (no time). Relays without an entry time may not swim in the meet.

Entries submitted must be best performances attained between September 1, 2010 and February 22, 2011. Coaches must submit entries using Hy-Tek Team Manager. A Team Manager events file will be distributed to all coaches. You must also submit a copy of your Team Manager entry report (preferably in Adobe PDF format). This report, and your Team Manager entry file, must be sent as an email attachment from the athletic director (or an appropriate substitute) to ivies@meetresults.com. The email received from the athletic director will serve in lieu of a signature, and attest that the athletes on the entry are bona fide and eligible. As an alternative, coaches may email the Hy-Tek Team Manager entries file and entries report directly to ivies@meetresults.com, and fax a signed copy of the entries report to 617-933-7605. The faxed entry report must be signed by the athletic director (or appropriate substitute).

It is important that all aspects of the entry be completed, including the official first name, middle initial, last name, date of birth, and year in school, for each athlete. These values will be used for the purposes of NCAA Proof-of-Performance and USA Swimming NTV submissions. Please be sure to use team roster data that matches registration data in the NCAA times database. The “preferred name” field is to be used for appropriate nicknames, which will be printed on heat sheets and results, and will be the name used for announcing purposes. (e.g. “Mike” instead of “Michael”.)

After the unofficial psych sheet is posted, teams will have 24 hours to challenge entries and correct any clerical errors with no penalty. After 24 hours, no corrections will be accepted.

V. SCRATCH DEADLINES

Scratches may be submitted to the Championship Director, Assistant Championship Director, Meet Referee, Director of Operations, or Championship Manager. Scratches will only be accepted from coaches or the team’s official representative, and must be signed by both the team coach and the appropriate meet official (see above).

A receipt form will be used for scratch verification. All entries not scratched by the scratch deadline will become official entries. Coaches will be given a composite scratch form to list all scratches for a particular day. Additional scratches may be made, by the scratch deadline, using individual scratch cards. Diving sheets must be submitted by the appropriate scratch deadlines. Divers who will not dive must be scratched.

The scratch deadlines are as follows:

Wednesday, March 2, 4:00pm for all Thursday events (beginning of the coach's meeting)

Thursday, March 3, 6:00pm for all Friday events

Friday, March 4, 6:00pm for all Saturday events

Rule 3, Section 3, Article 4 of the NCAA Swimming & Diving Rulebook will be followed regarding scratches for the evening finals. Scratches for evening finals must be made using individual scratch cards, and must be signed by both the team coach and the appropriate meet official (see above). Scratches for finals must be submitted to the appropriate meet official (see above) within 30 minutes of the announcement of the qualifiers for the event.

VI. SENIOR RECOGNITION

The senior recognition will take place at the beginning of the Saturday evening finals. Seniors will be asked to gather in the awards ready area at 5:50pm in their official team warm-ups. Only seniors who are entered into the meet and listed on the official entry form will be allowed to participate in the senior recognition.
